Secretary's Report

The April 2022 board meeting minutes were previously transmitted to the board members in attendance at the meeting for input, and the final copy was sent to the board and posted on the website.

Treasurer's Report

Financial statements were distributed prior to the meeting. The bank statement was not yet available but was received after the meeting. The \$1500 check from David Meadors for sponsorship of the Kick Off party has not yet been received. This may be due to inaccurate information, which has now been corrected. Both the storage and software fees for this year have been paid.

Membership Report

Karren reported that we have had 3 new members and one new social member and we now stand at a total of 144 members.

Vice President's Report

Sue reported that she will go ahead and purchase an additional 5 software licenses so that they are available for any additional new members. Sue has an upcoming vacation and has asked Becky Rice to cover for her for any IT issues.

Social Director's Report

Jean sent a report saying that plans are underway for a Happy Hour Social on July 13 at the Hula Hut in Little Elm beginning at 4:30 pm. The Committee has reserved the Palapa Room and will provide chips, salsa, and other appetizers. It will be a cash bar and we can take advantage of

their Happy Hour drink pricing from 4:30 to 6:30 pm. Expect a flyer to go out mid-May. Her committee is also planning another social event in September, but plans have not yet been finalized.

Golf Directors Report

The month of April has brought many more players out to play. There have been as many as 40 18-hole players and 32 9-hole players. Becky Ernst /Susan Rice (9 Holes) and Barbara Westerbeck are doing a great job. This position is a weekly job, and it requires lots of dedication on their part. Rosemary is currently looking for someone to help Barbara on the front end so that she can take some of the pressure off. Betty volunteered to help starting in June. It was suggested that we try to find a third person to help for vacation coverage. It was also discussed that some members are signing up for both 9 and 18-hole playdays, and Vicki will ask Rosemary to remind members in one of her emails to only sign up for one or cancel if they change their mind.

Jenny Blackwood and Jackie Spillman are sharing the back-end duties of recording scores. Jenny informed Rosemary of some “game” issues and handicap posting issues that have come up and will be sending out a notice after the Wildflower Cup, which will hopefully set everyone straight about these issues. We have lots of new players who have not done this before so it’s time to educate them on these procedures.

Six ladies attended the Lake Kiowa Exchange, and Audrey Early won \$125 while Sue Frisby won \$75! They gave out \$2000 in prize money for the top 5 winning teams. Their players are members of their Country Club and they don’t have to pay to play or rent a cart, so all of their entry fees went to prizes and lunch.

Eldorado is hosting the 9-hole exchange on May 18 and we already have 10 players signed up. Tanglewood is also having an 18-hole exchange on May 19. So far, no sign-ups.

Won Kim and Jean Brown are all set for the Wildflower Cup. We had 72 players sign up. Unfortunately, due to weather concerns, some have dropped out. They have decided that if a player drops out, they forfeit their match but the one who didn’t drop out can still enjoy a round of golf with those still competing. The party will be held at 5:30 p.m. in the Village Center Ballroom ABC whether we play or not. Only players who signed up and played are eligible to attend. Judy Woods has agreed to be our official photographer for this and all future events. Thanks to Joe Washburn for sponsoring this event with a \$1000 donation. Special thanks to Becky Rice for preparing the pairings and scorecards.

Next event is the Summer Scramble on June 8. Wren Lowery and her committee have been meeting to plan this All Par 3’s Tournament. The theme is FRIENDS DON’T LET FRIENDS 3 PUTT! Erin has the flyer ready and Rosemary will send it out as soon as the Wildflower Cup is over.

Toni Jenkins and her committee have also begun their plans for the 9-hole Eclectic Tournament to be held on July 20 and 27. Their theme is Christmas in July. For the first round, players will play their usual 18 or 9 holes. However, on the second round, only 9 holes will be played by all participants followed by a brunch and prizes.

President's Report

Vicki reminded everyone to include Sue on all communication for golf events, as she manages the website. Also, be cautious of date changes and be sure to point these out so there is not any confusion.

Greens are scheduled to be punched on Tuesday and Wednesday of next week and the course will only have 9 holes open. Expect communication to those who have signed up for the Wednesday playday.

The Committee discussed that there was a good turnout for the recent FLMGA Social Event. Several members of our group attended and all had a good time. We hope to be included again in the future.

The next meeting will be held on Tuesday, June 7 in Room 2 at the Westside Center.

Vicki adjourned the meeting at 3:00 p.m.
